Author and illustrator, Chante Timothy, visited the children at PAAN

An amazing day for the children who met Chante Timothy, the author of the Supa Nova series. They were inspired by her story about how she overcomes her dyslexia when creating ideas for her stories through drawing!

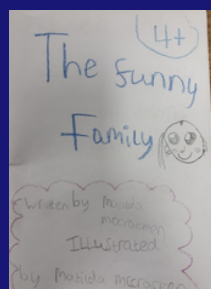

Children got to share this experience with her in their drawing workshop. This was followed by a book signing session where they could talk to her individually.

A fantastic experience for our children!

Blue Peter badge

After our visit from author James Campbell last term, Matilda was inspired to become an author and wrote her own short story which she sent off to Blue Peter. They were so impressed that they awarded her a Blue Peter badge! Well done, Matilda!
